

IMPACT REPORT

Q3 | SANTA ROSA HIGHLIGHT

The StoryClub in Santa Rosa is a treasured gathering where children are grateful to spend meaningful time with Alexandra, the Hope Zone leader, and other devoted volunteers. These volunteers impart not only games and laughter but also invaluable Bible lessons. The impact of this Club on the

children's lives has been profound, enhancing their understanding of God and nurturing a deeper relationship with Him.

Among the young ones engaging in the Club are Juliana and her brother Juan. Their family faces financial challenges and often relies on the provided OneMeal as their source of nutrition. Juliana and Juan's

parents work tirelessly to support their family but still struggle to afford daily nutritious meals. OneMeal is a source of immense relief for Juliana and Juan's parents because they know they can trust the ingredients to play a critical role in their children's lives.

For Juliana and Juan, the stories shared at the Club have been instrumental in deepening their faith and spiritual connection, helping them navigate life's difficulties.

The entire community, including parents and leaders, thank God for blessing them with the Hope Zone, along with the StoryClub and OneMeal. They see the transformative power it has and how it positively impacts the lives of the children in the community, offering hope, sustenance, and spiritual growth.

These are stories to celebrate. Thank you for making it all possible.
